Railroad Square in 1880 with the office building for the railroad and the second Pemigewasset Hotel facing Main Street.

South Main Street in 1890 with the store of Plummer Fox and the Central Telephone Office on the right.

North Main Street in 1890 with the Kidder Building and Methodist Church that were destroyed in 1943 by fire.

The First Normal School Building in 1875 with the town clock in the tower. The clock is now in the tower of Rounds Hall.

THE BI-CENTENNIAL

ON JULY 13-14, 1963

The Bi-Centennial Commission is arranging a program of events to commemorate the close of 200 years of its history for the Town of Plymouth on July 13-14, 1963, with the emphasis upon the present that the past has evolved.

Several hundred invitations will be mailed to former residents to a homecoming occasion.

On Saturday forenoon, the 13th, a parade will pass along the main streets to feature the contrasts between the present and the past. A chicken barbecue will follow, sponsored by the Fish and Game Club. Recreational events are developing for the afternoon and evening.

At the Village Green or in Silver Hall on Sunday at eleven o'clock a service is planned with Senator Norris Cotton giving an inspirational address and choral numbers by the musicians in this area, including seniors and juniors.

In the afternoon, open homes will offer an opportunity for guests to visit together.

At eight o'clock on Sunday evening a pageant, depicting the characteristics of Plymouth, will be presented in Silver Hall. Mrs. Lucille J. Little is the author and Mr. Roi White will assist with the dramatization.

Through several days, exhibits that compare the present achievements with the past will be on display in the Guy E. Speare auditorium and in the chapels of the several churches.

Souvenirs in the form of a medallion, a decorative piece of china and a book, "Twenty Decades in Plymouth", will be on sale.

Everybody is invited to participate as each desires: in the parade, the exhibits and the programs. Since the shade trees are fast disappearing, the Commission suggests that 200 trees be planted, by parents with their children, to grow for a third century. Several varieties will be donated by the State Forestry Department.

As these events close, the three Revere bells will ring out the old centuries and ring in the third for July 15, 1963.

Bownes and being 920.75 feet distant from the westerly limit of Broadway; thence running N. 61° W. two hundred (200) feet, to an iron pipe set in the ground; thence running N. 57° 07' W. three hundred sixty-three and sixty hundredths (363.60) feet to an iron pipe set in the ground at land now or formerly of one Whitehouse; thence turning and running S. 26° .7' W. forty and ten hundredths (40.10) feet to an iron pipe set in the ground; thence turning and running S. 57° 07' E. three hundred sixty-seven and two-tenths (367.2) feet to an iron pipe set in the ground; thence running S. 61° E. two hundred (200) feet to an iron pipe set in the ground; thence turning and running N. 21° 56' E. forty (40) feet to the point of beginning. (Petitioned)

26. To see if the Town will amend Article IIIA of the zoning ordinance by striking out the sentence "No lot shall have less frontage on any street or way of less than 100 feet nor a depth of less than 100 feet", and inserting in its place "No lot shall have a total area of less than 10,000 square feet."

27. To see if the Town will amend Article IIIA of the zoning ordinance by adding at its end the following sentence:

Any use that may be obnoxious or injurious by reason of the production or omission of odor, dust, smoke, refuse matter, fumes, noise, vibration or similar conditions or that are dangerous to comfort, peace, enjoyment, health, or safety of the persons occupying this zone, or lending to its disturbance and annoyance, are prohibited.

28. To see if the Town will amend Article IIIC of the zoning ordinance by striking out the last sentence and inserting the following:

Residential dwellings and accessory buildings in the civic zone shall be subject to the same requirements as to distance from the traveled way and from property lines as in the single residence district.

29. To see if the Town will amend Article IIIA of the zoning ordinance by adding at the end of the first paragraph: No accessory building shall be built wholly or partially in the front yard of any dwelling. No addition to a present building, nor any new accessory building, shall be erected closer than 15 feet from any property line.

30. To see if the Town will amend the zoning ordinance by adding after Article XII, the following new Article XIII:

Uncompleted Structures or Fire Ruins

No structure in the process of completion or demolition and no ruins from fire or other casualty shall be abandoned in a disorderly or hazardous state. Such structure shall be considered to have been abandoned when work to remedy the improper condition shall not have been initiated within six months after the occasion of the casualty, or if initiated work shall have been discontinued with owner's consent for ninety or more consecutive days. Each day's abandonment shall be considered as a separate violation of the ordinance. The above periods of time may be extended by the Board of Adjustment, upon application of the owner, for good cause shown.

31. To choose a member of the Zoning Board of Adjustment for a term of five years.

32. To see if the Town will vote to authorize the Selectmen to appoint a highway agent rather than to elect a highway agent. This to take effect at the Annual Town Meeting in 1964.

33. To see if the Town will vote to adopt a non-partisan system for the election of town officers to be in effect at the Town Meeting next following the 1963 annual meeting, as provided by New Hampshire Revised Statutes Annotated Chapter 59, Section 73. (Petitioned)

PLYMOUTH PUBLIC LIBRARY

PLYMOUTH, N. H.

ANNUAL REPORT 1962

To the Trustees of the Plymouth Public Library:

In 1962 our recataloging project was finished. With the help of 13 volunteers who gave approximately 350 hours, the end of our three-year effort was reached. Our heartfelt thanks go to all those who participated, and we hope they will come forward again in the future from time to time as they are needed.

The eighth grade came to the library in three sections to receive instruction in the use of the catalog and reference books. The second grade came as usual and many became borrowing members.

The documentary films borrowed from the State Library were shown here during open hours on two summer evenings. We will try to show more films in 1963 on evenings when the library is closed to borrowers in order to avoid confusion.

We have had a telephone since March and have much appreciated the convenience. Many borrowers have used it to renew books for a second two-week period. Others have used it to find out if we can supply needed material. In these days of expensive postal service the librarians find it economical in reminding delinquent borrowers of their sad state, and in notifying people when material requested from the State Library has arrived.

Your librarian attended three meetings during the year—a publicity workshop at the State University; a discussion of recognition at the State level, held at the Laconia Public Library; and a discussion of some new American Library Association pamph-

lets concerning the administration of small libraries, held in the New Hampton Library. Barbara Nims attended a "weeding workshop" at the Bristol Library. She also attended the three-week summer school for librarians at the State University. This was her second year of a four year course, and she received a scholarship from the State Federation of Women's Clubs which was a generous financial assistance.

Respectfully submitted,

ALICE B. DICKINSON,

Librarian

AUDITORS' REPORT

As prescribed by law, we have examined the books and records maintained by the Selectmen, Town Treasurer, Town Clerk, Tax Collector, Trustees of Trust Funds, Treasurer of the Library Trustees and Justice of the Municipal Court.

The records of the individual receipts and expenditures were found to be correctly cast and properly vouched.

We have verified cash balances and reconciled bank statements for such of the above officials who have town business accounts.

We have examined the securities in the Trust Funds.

We have inspected the surety bonds of the Town Treasurer, Tax Collector, Town Clerk, Trustees of the Trust Funds, Road Agent, Chief of Police, and Secretary.

Office of Selectmen
Plymouth, N. H.

Dear Sirs:

The following is a report of the activities, conducted by the Bureau of Public Health Nursing, Division of N. H. Public Health, for the year 1962. Please have printed in your town report. Thank you.

The Plymouth Medical Association voted to sponsor series Sabin Oral Polio vaccine clinic for the benefit of Plymouth and surrounding towns. Dr. Henry Crane, President of the Association, was generally in charge of arrangements and supervision of the clinics. A series of three were held in Plymouth in July, August and September. The Nurse of the Division of Public Health Nursing was requested to assist with organizing and conducting the clinics. The vaccine for children under age 6 was furnished by the Division of Public Health and a small charge of .25 was made for all over six to cover cost of supplies and vaccine.

The total attendance at these clinics receiving the vaccine follows:

	Type 1	Type 3	Type 2
Under 6 years	460	421	350
Over 6 years	1987	1676	1092
(including adults)			
Total vaccine given	2447	2097	1442

Of this above number receiving vaccine, 209 Plymouth children of preschool age completed three types. 120 other preschools of Plymouth had one or more types. All records of preschool children receiving the vaccine have been turned over to family physicians designated on cards signed at clinics. Parents, if you or your children did not receive all three types of the vaccine it is important to consult your family physician regarding completing the series.

Excellent assistance was given at these clinics by the following: Mrs. Biddiscombe, R. N., Director of Nursing Staff of the Sceva Speare Hospital and members of her Staff; Plymouth Graduate Nurses Association - donated professional assistance; Grey Ladies; Candy Strippers. Clerical help was covered by some of the above, plus Mrs. Jeanette Connary, members of the Durand-Haley Unit No. 66 American Legion Auxiliary, Quincy Grange and other volunteer clerks. All records of age group over 6 years were filed by members of Hospital Staff.

Supplies for the use of the clinics were furnished by Local Merchants, Legion Auxiliary. Coffee and doughnuts for the workers, who worked from 2-7 p. m. was furnished by the courtesy of Quincy Grange, Plymouth American Legion Auxiliary and Anderson's Bakery.

Each Spring and Fall Chest X-ray Clinics are held at the Masonic Hall, Plymouth, by the N. H. Tuberculosis & Health Association and the N. H. Division of Public Health. Dr. Robert Kerr of the N. H. Tuberculosis Association is in attendance for examinations of chest and Mr. Eugene Alden does the x-rays. Reports are sent to individuals concerned and referring physicians following the clinics. All patients due to attend, School Nurse and Local physicians are sent notices preceding the clinics.

Attendance at clinics:

April x-rays	54	Chest exams	25
Nov. x-rays	46	Chest exams	26

(12 Sterneedle Tuberculin tests were done at the November clinic - with two reactors. These were followed through.)

The Nurse was assisted at these clinics by members of Belknap-Merrimack Salon 8&40 and Plymouth American Legion Auxiliary members as their community service projects.

Late in the Fall the State X-ray Mobile Unit was in town. This was under the direction of Mr. Jenson,

X-ray Survey Supervisor of the N. H. Division of Public Health. X-rays taken at industries - 197; community - 137. Follow-up visits have been made by the nurse, on patients having x-rays that need further follow-up. The patients have been referred to their family physicians for further check-ups.

Home visits have been made in the town, at the request of physicians and from the State Office. Visits have been made on babies, preschool children, mothers and adult patients for the following: assisting with arrangements for care under Pediatric cardiac clinics, crippled children's clinic, mental health clinics, N. H. Sight Conservation program (eye testing and obtaining glasses), cancer patients, follow-up on chest x-rays and others as requested. Home visits were made with State Physiotherapist to homes to instruct mothers regarding carrying out instructions given at clinics.

The nurse gave a talk on Activities of the Bureau of Public Health Nursing, of the N. H. Division of Public Health, to the members of the Woman's Society W. S. C. S. of the Plymouth Methodist Church.

The Nurse also attended and participated in the following meetings: American Cancer Society, Pemi-gewasset Association for Retarded Children, Plymouth Community Closet Organization, Salvation Army (assisted in the Welfare Program), and also helped compile names for the Plymouth Firemen's Operation Santa Claus.

My sincerest thanks to Plymouth doctors, nurses, organizations and individuals, who contributed of their services and use of their buildings for the various programs. Sincere thanks also to the Plymouth Record and other papers for excellent publicity given the programs.

Respectfully submitted,

LOIS B. REED, R. N.

Public Health Nurse, Bureau Public Health Nursing, N. H. Division of Public Health.

PLYMOUTH CHAMBER OF COMMERCE

INFORMATION BOOTH REPORT

Board of Selectmen
Plymouth, New Hampshire

Gentlemen:

The Information Booth was open from Saturday, June 2 through Sunday, September 2, 1962, from 9:00 A. M. to 6:00 P. M. on weekdays and 1:00 to 5:00 P. M. on Sundays.

A total of 5,330 cars containing 16,854 people was served by Miss Hazel Downing, the veteran attendant.

This was a decrease of 10% in the number of cars and 12% in the number of people under the 1961 season.

Cars were recorded from every state in the Union including Hawaii and Alaska, with the exception of North Dakota, and from six Canadian provinces. There were visitors from England, Scotland, Denmark, France, Germany, Hungary, So. America.

The Chamber of Commerce thanks the taxpayers of Plymouth for their support of the booth. It is felt that this service to tourists stopping in and passing through our town is very inexpensive advertising which cannot be measured in dollars.

All of the appropriation was expended for the salary of the attendant.

CIVIL DEFENSE REPORT, PLYMOUTH, N. H.

In the town of Plymouth and in the state there have been some things happening which reflect the activities in the area of Civil Defense.

The concept of evacuation in the event of enemy attack has been, with a few exceptions, discontinued. The feeling seems to be that the evacuation or attempt to evacuate large cities is impractical. As a result, the town is no longer a reception area for Boston area citizens, as such. We can anticipate that if something does happen, we will still have some population movement but not of a planned type.

The Cuban situation did start some people thinking about the possibility of atomic attack. Some interest was shown on a local level but did not continue after the aversion of the crisis.

The town has been surveyed as a part of the national shelter program. This program is for the purpose of locating possible public shelters and stocking them for future use. The town had very few places which might qualify even under the minimum standards. At the present time, such shelters as are eligible are being considered for possible use.

Those persons who are working in the area of civil defense or who are considered as being necessary to the town's operation are being identified and asked to assume responsibility in an emergency.

REPORT OF PARK AND RECREATION COMMISSION

Plymouth, New Hampshire

For the Year Ending Dec. 31, 1962

The Plymouth Park and Recreation Commission working with the Plymouth Recreation Association has completed a successful year in the growth of recreational activities and in Fox Pond Park.

Early in the year the Youth Council and the Plymouth Park and Recreation Association merged to form the Plymouth Recreation Association. This merger eliminated the overlapping of obligations and duties of the two organizations.

Programs which have been carried out include summer playground, swimming, skiing, skating, canteen and Saturday sports.

The commissioners have tried to improve the facilities at Fox Pond Park by adding sand to the beaches, brushing out in the wooded area, installing a gate valve at the dam which was donated by Sprague Electric, and preparing the final plans for the bath house which should be ready for use early in 1963.

The commissioners and the association were very pleased to accept donations from local residents, Spaulding Trust, Barnhart Foundation, and Plymouth Lions Club.

Preventing Forest Fires Is Our Responsibility

Costs of suppressing carelessly set outdoor fires in New Hampshire in 1962 cost the persons responsible \$5,545. In the same period, the cost to the cities and towns for control of such fires for which no responsibility could be placed cost another \$24,634. What utter waste of tax money and what shameful and needless loss of timber and esthetic values in the 2,200 acres burned. Residences, farms, and other business places were threatened with possible total destruction.

Carelessly set man caused fires can be prevented if every citizen remembers his responsibility in regard to any source of fires in the open. We can help to keep our fire loss low by remembering these simple rules.

1. Dispose of burnable waste at the town dump.
2. If waste or brush is to be burned on the premises, obtain a permit from the forest fire warden. Seasonal permits may be issued for approved incinerators and sites.
3. Burn safely by picking a clean site, avoiding dry windy weather and preferably burning late in the day.
4. Have something to keep the fire under control — pails of water, garden hose, sprinkling can, broom for grass fires or shovel will help.
5. Be sure your fire is dead out before you leave it.
6. If the fire gets out of control or if you see a fire out of control, report promptly to your warden or fire department. Continue to fight it until help arrives.

There is potential danger when matches fall into the hands of children. It is never too early for parents to install in the child's mind a respect for fire.

Keep our town safe from fire.

In 1962 we had 5 fires.

We burned $\frac{1}{2}$ acres.

Permits issued - 121.

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Plymouth qualified to vote in district affairs:

You are hereby notified to meet at the Guy E. Speare Auditorium in said district on the seventh day of March 1963, at eight o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the District will raise and appropriate the sum of Three Hundred Fifty-two Thousand, Three Hundred Twenty Dollars and Forty-eight Cents (\$352,320.48) for the support of schools, and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of such sums as are estimated to be received from the State Foundation Aid Fund together with other income; the School Board to certify to the Selectmen

the balance between the estimated revenue and the appropriation, which leaves an estimated balance of Two Hundred Twenty-seven Thousand Eight Hundred Dollars and Forty-eight Cents (\$227,800.48) to be raised by taxes by the Town.

9. To see if the District will raise and appropriate the sum of Four Thousand Nine Hundred Dollars (\$4,900) for the salary of an elementary teacher in accordance with the agreement between the State of New Hampshire and the Plymouth Town School District.

10. To transact any other business that may legally come before this meeting.

Given under our hands at said Plymouth this fifteenth day of February 1963.

SUPERINTENDENT'S ANNUAL REPORT

Another year has passed in our seemingly never-ending pursuit of better education and better school facilities for our children and with it the defeat of our plans for a new Cooperative School. The School Board and myself want you to know we are most appreciative of your support in this effort which failed through no fault of yours. You can rest assured that the idea has not been forgotten. When it can be determined what the Legislature is going to do to help educational financing in the coming biennium, the study will again be opened.

Last year there were more staff changes than is normal for the Plymouth Junior High School and High School. This was not due to dissatisfaction with the system but largely because of professional advancement and re-location of teachers. In the Junior High School, Mr. Kenneson, who had been teaching at Haverhill Academy replaced Mr. Moody in the Science and coaching departments. Mr. Fish, a 1962 graduate of Gorham Teachers College replaced Mrs. Hazen; and Mrs. Selby, a June graduate of Plymouth Teachers College replaced Miss Woodward. We are pleased that Mr. Ryan, after a year's leave of absence to work on his master's degree in Guidance, returned to us full-time. This should improve the placement of entering Freshmen and graduating Seniors who go into the job market or on to higher education. Parents who are interested in scholarships will also find that the Guidance Department has a good deal of information on this subject. Mr. Sanborn replaced Mr. Smith in the Social Studies Department; Mrs. Hyde was employed to fill the position left vacant by the illness of Miss Serpico; and late in the Fall, Mr. Bigelow was employed in the Music Department to replace Mr. Drukman. Our lunch program continued this Fall under the new supervision of Mr. and Mrs. Thompson. The program is being

run very well and efficiently and we are making more use than ever of the surplus commodities that are available through the National School Lunch Act.

We have very recently been visited by Mr. Quimby of the State Department of Education on our program to meet the so-called "Minimum Standards law" which goes into effect next September. We are most fortunate that we have to do so little to maintain full accreditation. The only two areas where we were found deficient are in those of library and Art. Plans have now been formulated and money requested in this budget to take care of this matter. There are few high schools of our size in New Hampshire that already qualify so well to meet these standards. Also included in the budget is another Math and Science teacher for the high school faculty. This has been brought about by an expected enrollment increase next year of about thirty pupils.

As mentioned in my opening remarks, discussion is going on within your School Board and the Boards of surrounding towns concerning the proposed Cooperative High School. Plymouth cannot afford to wait much longer to decide what is going to be done in the way of school facilities. With beginning enrollments to the point where there are three divisions of first graders, space problems will soon be acute. This, coupled with the antiquated high school building where it seems unwise to spend too much in repairs, makes our problem an urgent one. In my opinion, we should give the surrounding towns another chance to vote on a 9-12 Cooperative High School where they would pay their share of building costs. Then, if this is voted down, to build our own facilities and agree to accept only tuition pupils on a contractual basis to which a building construction cost could be added onto the tuition figure.

Last year several students and an instructor were asked to attend an all-expense meeting in Boston to participate in a meeting of the New England Coun-

cil of Economic Education sponsored by the Sears Roebuck Foundation. Due to the active participation and the showing made by the students we sent, we have been invited again. Inasmuch as four high schools in the state of New Hampshire are being asked to participate, it seems to be quite an honor and privilege for our high school, as well as an excellent recommendation for the type of students we have.

Our Industrial Arts and Physical Education Departments now are well equipped to do the job they are intended to do and the budget in most departments are down this year. Some time in May, the Physical Education Department is planning a demonstration night to which the general public will be invited. Because of the time element, it will obviously be impossible to include everyone who takes part in Physical Education to perform.

I am sure there will be no statements from the School Board as to how much time and effort went into the making of the school budget for next year. Needless to say, many hours of planning and preparation were involved. The elementary tuition to the college alone has increased about \$8,000 which is considerably more than the requested increase to the tax payer.

Let me take this opportunity to thank the School Board and the teachers for their support and cooperation during the past year and please be advised that I stand ready as always to help and advise you in educational matters.

Respectfully submitted,

M. WAYNE BOWIE,

Superintendent of Schools

EXPLANATION OF SUPERINTENDENT'S SALARY

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire, requires that school district annual reports show the total amount paid to the superintendent of schools as per the following quotations: "Reports. Each superintendent of a supervisory union shall annually prepare a report showing the total salary paid to the superintendent, which report shall show in detail the amount derived from the per capita tax and the amount paid directly by each school district in the union."

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the school for the previous school year ending June 30th. The Superintendent of Supervisory Union No. 48 during 1961-1962 received a salary of \$8,500 which was made up as follows: \$4,250 paid from the per capita tax and \$4,250 prorated among the several school districts. Allowances of \$1,200 for travel within the union was also prorated as stated above.

The table shows the portion of salary and travel charged to each school district.

	Salary	Travel
Campton	\$ 818.13	\$ 231.00
Dorchester	31.87	9.00
Plymouth	1,708.50	482.40
Rumney	565.25	159.60
Thornton	369.75	104.40
Wentworth	176.37	49.80
Woodstock	580.13	163.80
	<hr/>	
	\$ 4,250.00	\$ 1,200.00

Superintendent's salary for 1961-1962 based on the above figure is reconciled as follows: \$4,250 paid from State per capita tax plus \$4,250 paid by various districts, equals \$8,500 Superintendent's basic salary.

PLYMOUTH HIGH SCHOOL

PRINCIPAL'S ANNUAL REPORT

I hereby submit my eleventh annual report as Principal of Plymouth High School.

Six new teachers have come to our schools this year, three for the High School and three for the Junior High.

Mr. Lambert has added the seventh and eighth grade students to his French program. They are really happy over the use of the laboratory.

The New England Association of Colleges and Secondary Schools held its evaluation of the Plymouth High School in February 1962 and approved our school for continued membership in the Association. The faculty and I were very pleased with the rating we received from the evaluating group.

The class of 1963 will be a small graduating class in comparison with the classes of the immediate future.

Present Enrollments

Class of 1963	67
Class of 1964	104
Class of 1965	127
Class of 1966	104
Class of 1967	110
	(anticipated)

The above figures give us the story. Plymouth High School will be crowded to capacity in one or two years, unless we have a change of population in the area.

 Schools Close for Summer Recess

This calendar allows for 184 full school days. Therefore, there are 4 days in excess of 180 that may be used for storms or other emergencies. In the event all extra days are not used, schools in various districts may close at the end of 180 full days as required by law.

SCHOOL NURSE'S REPORT

The following is a report of the Plymouth School health program for the year 1962.

Physical examinations were completed for 274 pupils by Dr. F. D. McIver, school physician.

Dental examinations for 49 pre-school children were done by Dr. E. B. Crowell on registration day in May. Extensive dental work and emergency treatment for two pupils was sponsored by the Lindsay Fund and the Child Welfare Fund of the American Legion.

The Lions Club provided new glasses for 2 pupils.

Speech therapy, at Camp Lincoln, for one month was sponsored by Crippled Children's Services.
